

# WELCOME TO USATESTPREP

## Information for Parents/Guardians

Greetings! Your child uses the valuable online tool USATestprep at school. He/she is also able to use this website outside of school from any computer with an internet connection. USATestprep is fun, easy to use, and provides many features that will help your child succeed. Throughout the year, he/she will be able to access a variety of tests, practice questions, games, and many other activities designed to keep your child actively learning.

### To help your child with this resource:

- Go to [www.usatestprep.com](http://www.usatestprep.com)
- Click on the orange LOGIN button in the top right corner
- Log in to the site using the school's Account ID and your child's username and password
- Once logged in, look for any assignments from your child's teacher (all assignments appear on the student homepage)
- Students can monitor their progress by choosing a subject area along the top of the homepage. USATestprep's color-coded Dot Rank system will indicate strengths and areas for improvement by standard.

If you have questions about using the site, please view the help videos available from the HELP link in the top right corner.

The screenshot shows the USATestprep student dashboard. At the top, there is a navigation bar with the USATestprep logo, the text 'Your Classroom Partner', and links for 'LOGOUT', 'CONTACT US', and 'HELP'. Below the logo, there are dropdown menus for 'RESOURCES' including EOC, SLO, SAT/ACT/WORKKEYS, AP/ACCUPLACER, and OTHER. A message says 'Choose a specific subject area to view progress and complete practice.' The main section is titled 'Sample Student' and displays user statistics: Logins: 156, Tokens: 467, Badges: 2, and Time: 17 hr 37 min. The user's level is set to 'Georgia High School', with options for 'Georgia Middle School' and 'Georgia Elementary School'. A sidebar on the right contains links for 'Graded Work', 'Game Arcade', 'Join a Class Party', 'Take an Assessment', and 'Complete a Saved Test'. Below this, there is a 'Filter by Class' dropdown menu and a 'Join a Class' button. A red arrow points to the 'Filter by Class' dropdown with the text 'Assignments for All Classes'. Another red arrow points to the 'All assignments appear below. Filter by class to see only assignments for a particular class.' text. At the bottom, there is a table of assignments with columns for Due Date, Type, Name, Teacher / Class, and Notes. The table shows two assignments: 'Unit 2 Review' due 12/02/2019 and '+ Unit 3 Homework' due 11/06/2019, both from 'Ms. Zorn' in 'Elementary Content Sample Class'. Each assignment has a 'Begin' button.
